ASSEMBLY INSTRUCTIONS

1 Print out the book in color or black & white.

2 Take the sheet with the back and front covers and cut it in half on the dotted line.

3 One at a time, fold the rest of the pages in half. Stack them on top of each other so the odd pages are facing up and the folds are on the bottom.

4 Place the interior pages inside the back and front covers.

5 Staple the lefthand side of the book.

6 Happy reading!
